

Motor Vehicle Safety Regulations

C.R.C., c. 1038

[MOTOR VEHICLE SAFETY ACT](#)

1 [Repealed, SOR/2020-22, s. 2]

[Previous Version](#)

Interpretation

- 2 (1) In these Regulations,

...*motor home* means a multi-purpose passenger vehicle that is designed to provide temporary residential accommodations, as evidenced by the presence of at least four of the following:

- (a) cooking facilities,
- (b) a refrigerator or ice box,
- (c) a self-contained toilet,
- (d) a heating or air-conditioning system that can function independently of the vehicle engine,
- (e) a potable water supply system that includes a faucet and sink, and
- (f) a separate 110- to 125-V electric power supply or an LP gas supply; (autocaravane)
